

ENTERTAINMENT

Most people visit Taniti to enjoy the beaches, explore the rainforest, and to visit the volcano. However, there are other things to do, including visiting a local history museum, going on chartered fishing tours, snorkeling, zip-lining in the rainforest, visiting several pubs, including a microbrewery, dancing at a new dance club, seeing a movie, taking helicopter rides, playing at an arcade, visiting art galleries, and bowling. Many of these activities are located in Merriton Landing, which is a rapidly developing area on the north side of Yellow Leaf Bay.
